

Did you know?

You can apply for HEAP online.

Complete the application process quickly and easily—no appointment needed.

Get started:

Use the QR code or visit
ecos.mainehousing.org

On the MaineHousing ECOS login page, if you have never logged in before, start by selecting "Create a Customer Account."

Have these documents ready to complete your application:

- Current proof of income for everyone in your household
- A current electric bill
- Date of birth and social security cards for everyone in your household
- Current (not expired) photo ID for main applicant
- The name of your energy dealer as well as your account number if you have one.

Once you have an online customer account and a submitted application, you can log in anytime to check application status.
